

Parking and Locker Room Info for CCC Teams playing at Chapin High School

Chapin High School would like to thank you for playing in the Capital City Cup. We would like to welcome you to Chapin High School and share the following information in regards to dressing area and showers for visiting teams (see map below).

Directions from I-26: There are 4 entrances to the school. The first entrance will take you to the stadium and you may park your bus there and enter through the Field house gate. Bathrooms for men will be down the right side of the Field House, and women's on the left side.

Dressing area for Pregame: If you would like a dressing area, you may park in the top parking lot (fourth entrance from I-26). Proceed behind the building and park in that lot. We will have a Locker Room designated for Home and Away teams that is available to you. Please take all gear with you as you leave for the field. In the event of severe weather and we have to clear the field, you will be asked to return to your dressing area. Your team will have access to the Field House locker rooms at halftime of your game. Water and Ice will be provided on your bench and a trainer will be on site if needed. A Hospitality Room will be set up in the Field House area for coaches and referees. Thank you again for your attendance in the Capital City Cup. If you have any questions do not hesitate to contact me at btaylor@lexrich5.org or (803)446-2960 (cell).

Fan entrance: Coaches please inform your fans to enter the stadium at the Field house gate. Thank you again, Bob Taylor - Head Varsity Coach Chapin Men's Soccer
